

## Corona Fear

SUNDAY, March 22, 2020

**KEY SCRIPTURE** | 2 Kings 19:14–19

### DISCUSSION GUIDE

Pastor Neal interrupts the series on Job to address the situation our world is facing. We all have faced fears of some kind at some point in our lives. Pastor Neal shared his fear of THE WILD MOUSE ride as a kid. And he reminded us that fears don't go away when we grow up—they just become different in both scale and scope. How do we handle our fears? King Hezekiah learned an invaluable lesson about where real help comes from and about where the real battle actually lies. Hezekiah knew God was bigger than his circumstances. Praising God gives us perspective when we face fear. While we may want to pretend we don't have any fears or issues, Hezekiah didn't ignore his circumstances. He laid his fears before the Lord. We learn that admitting fear is the first step to peace.
